

B & W Waste Management Services Ltd is committed to understanding the needs and expectations of our customers and satisfying these needs with appropriate cost-effective solutions.

This will be achieved through the active participation of all employees in the implementation, maintenance and continual improvement of a quality management system, which complies with regulatory and statutory requirements as well as recognised Quality System Standards.

We will set objectives and targets, measure and review performance and achieve a programme of continual improvement to enhance our environmental performance

The quality policy statement will be communicated to all staff within the organisation and made available to interested parties.

We will, at least annually, review our policy within the context of our organization and if required make changes.
